STAR TRACK

Aries (March 21-April 19)

Today finds you sympathetic and understanding of the feeling of those close to you. You seem to have thrown your more judgmental attitude out of the window. You have learned you thrive when you surround yourself with those who are positive and uplifting. You are becoming the friend to others that you wish them to be for you. This is a great step in the right direction. Your life and all things in it seem to be full of happiness. You are on a very positive path. Hard work and dedication will lead you to great reward.

Taurus (April 20-May 20)

You may find your tendency to be indecisive may cause conflict with someone you care about. Consider all the options diplomatically, then make a choice. Recognize that ignoring this situation is not the right choice. Consider consequences, then choose, and act. Someone may find your actions offensive. Pay no attention to anyone who doesn't seem supportive. They will get over it.

Gemini (May 21-June 20)

Today may find you a bit unsatisfied with your surroundings. It may be someone or the physical place you are in that is just not sitting right with you. You may feel as if someone or something is holding you back or may just feel frustrated by your life in general. This may be a great time for an evening out and about. Change your surroundings. Clear your head but choose your company wisely to avoid any conflict as this is a time you need to have fun. You have to find a comfortable balance between work life, family, and social life. Gemini, remember it is good for you to get out and enjoy yourself from time to time.

Cancer (June 21-July 22)

The company you keep says a lot about you. Make time for your loved ones. Don't wait for a holiday or a special event. What is a little thing to you can make a big difference in the life of someone you care about. You are creative enough to turn a small act into a big memory. Take the time. Make the effort. The reward will be great.

Leo (July 23-August 22)

You have a tendency to be indecisive at times. This could cause conflict with someone special to you. Consider all the options and put much thought into your decisions today. Make a choice. This is not the time to procrastinate. Someone may be offended by or not agree with the choice you make. Remember, Leo, you can not please everyone all of the time. Do what is best for you and yours.

Virgo (August 23-September 22)

You can stop looking for perfect relationships. Since every person is flawed, a relationship between two of those persons can't be perfect. You just have to decide how much imperfection you can tolerate. Limit your relationships to the people who don't have the flaws you can't live with. Surround yourself with people who are aware of your imperfections and love you anyway. Peace is conceived when love and tolerance are united.

Libra (September 23-October 22)

Others may be amazed when you turn your creative ideas into reality. Your mind is in overdrive and your creativity is off of the charts. You have a million great ideas running through your head. Today finds you able to turn them into reality. You are gifted and talented in many ways. When your mind takes over you may find it hard to relax. This would be a good evening for escape. Grab a book, light some candles, or curl up on the couch and watch a movie. It will take a while to wind down this evening after this productive day.

Scorpio (October 23-November 21)

Today finds you sympathetic and understanding of the feeling of those close to you. You seem to have thrown your more judgmental attitude out of the window. You have learned you thrive when you surround yourself with those who are positive and uplifting. You are becoming the friend to others that you wish them to be for you. This is a great step in the right direction. Your life and all things in it seem to be full of happiness. You are on a very positive path. Hard work and dedication will lead you to great reward.

Sagittarius (November 22-December 21)

All eyes are on you today and that is just what you crave. You have a great desire to be the center of attention. You crave appreciation for your gifts and talents. This will be a time you are able to look back on with pride. You are drawn to romance. This is a great time to spend with a special someone. Share your passion, whether it be cooking a meal together or painting a picture. Involve the one you love in a project tonight. This may bring you closer and the results good be amazing.

Capricorn (December 22-January 19)

You may find yourself getting mixed signals from someone close to you. You feel as if you don't know up from down. The harder you try to please this person, the more you seem to do wrong. You could find yourself in the company of someone whose values are opposite of yours. You do not like what they represent. You have a strong sense of values and morals and are very picky about the company you keep. It is important to remain kind and try to be understanding. This is why they make chocolate and vanilla, not everyone has the same taste.

Aquarius (January 20- February 18)

This is a time you feel more inward. You may be in the mood to only spend time with those closest to you. A nice evening at home will bring the most peace into your world today. This is a great time to do some soul searching. You have questions about what all happened in your world the led you to the place you are in today. You may be able to appreciate the hardships you have experienced and the lessons they taught you. This is a point you start to appreciate the wisdom you have gained through your life. You have learned to look for the positive in all life brings your way. This alone will make you a better person who others want in their lives.

Pisces (February 19-March 20)

Your relationships have taken priority in your life. You value the love you have for others and the love you feel from them. Your emotional needs are being deeply satisfied. There is a vast difference between independence and loneliness. At this time, you seem to be becoming more of a homebody. You find more at ease staying in surrounded only by your loved ones or close friends. This is where you belong as your feelings are finding you more reflective rather than expressive. You crave new beginnings, perhaps this would be a great time for a new experience or a new hobby. Pisces, take the time to reflect and learn from your past and make plans for your future.
