FUN ON THE GO WITH FLYDUBAI TRAVEL TIPS

KUWAIT: With a significant increase in passengers expected to travel every day with flydubai this Eid break, the airline has compiled a list of its most important travel tips to help travellers maximise this holiday. flydubai, which operates from Terminal 2 (DXB) and Al Maktoum International at Dubai World Central (DWC), is expecting an increase in passenger numbers between Tuesday 05 July and Saturday 09 July 2016. Since traveling needn't be a hassle, follow these simple tips to spend even more time having fun this Eid.

Take your time
Don't leave it all to the last minute. With up to 125 flydubai flights per day, the airport is going to be busy so allow plenty of time to get there. Aim to be at the terminal at least four hours before departure and remember that check-in for any flydubai flight will close 60 minutes before departure. It might sound simple but do double check which airport you are departing from before leaving home to avoid a wasted journey on Sheikh Zayed Road.

Queue jump with online check-in
Save time at the airport by checking-in online up to 90 minutes before your flight with online check-in available for all flights departing from Dubai (except Jeddah and Madinah). Didn't have time to check-in online? Simply head to one of flydubai's self-service kiosks between 24 hours and one hour before departure to speed up the process. All passengers need is a booking reference and machine readable passport. Check-in, choose your seat and print your boarding pass at the touch of a button. Passengers with bags to check in, can go the bag drop desk so they can be tagged and accepted for the flight before heading to security.

Pack smart
No one likes having to repack their bags at the airport so be aware of the luggage limits when you pack. Economy Class passengers are permitted to carry up to one item of hand baggage weighing no more than 7 kg on board for

free as well as one laptop bag or handbag. Business Class passengers can carry up to two items of hand baggage on board with a combined weight of 15 kg.
Pack any liquids, aerosols and gels (LAGs) in a clear re-sealable plastic bag and remember that for safety reasons passengers are not permitted to fly with items powered by lithium batteries such as hoverboards, mini segways, balance wheels and solowheels. This applies to hand baggage and checked baggage. For more information about restrictions on the carriage of lithium batteries and other dangerous goods, passengers are advised to read the carrier's baggage policy available on flydubai.com.

And relax
flydubai's onboard offering includes an interactive In-Flight Entertainment System for every seat with a choice of more than 2,000 hours of entertainment in Arabic, English, Hindi and Russian. It's also introduced WiFi connectivity and Live TV for the first time on selected flights. So sit back and relax. You are on holiday after all.

THREE KD 5,000 WINNERS IN NBK'S AL JAWHARA WEEKLY DRAWS FOR JUNE

KUWAIT: National Bank of Kuwait (NBK) announced four lucky winners in Al Jawhara weekly draws during the month of June. The draws were conducted under the supervision of Ministry of Commerce repre-

sents. Hanaa Bader Al Ahmad Al Sabah, Nabeel Abdullah Taqi and Nasser Yacoub Damkhi each won KD 5,000. The winners expressed their gratitude and thanked NBK for its great services and promotions.

NBK has doubled customers' chances to win in the weekly, monthly and quarterly draws when they do not withdraw or transfer from their accounts. NBK customers have chances to win KD 5,000 weekly, KD 125,000 monthly and a grand prize of KD 250,000 quarterly. Each KD 50 in a customer's account entitles them to one entry in the draw, thus more money in an account means more chances in each draw. The new feature introduced to Al Jawhara Account enables customers to double their chances when maintaining their balance without withdrawing or transferring from Al Jawhara account.

Al Jawhara is the most popular prize-giving account in Kuwait. Al Jawhara account entitles account holders to enter the weekly, monthly and quarterly Al Jawhara draws. All prizes are automatically credited to the winners' accounts the day after the draw. Al Jawhara accounts are available for both Kuwaitis and expats and can be opened at any of NBK's branches around Kuwait, or through NBK website for existing customers.

2017 FORD GT PAYS HOMAGE TO LIVERY ON 1966 LE MANS WINNER

DUBAI: The all-new 2017 Ford GT will be available in a limited-edition Heritage theme honoring the GT40 Mark II driven to victory by Bruce McLaren and Chris Amon at Le Mans in 1966 - part of the historic 1-2-3 Ford GT sweep. The car will feature unique interior and exterior color themes, and an exclusive wheel finish.

"Celebrating the anniversary of Ford's historic victories at Le Mans has always been a part of the return of the Ford GT," said Raj Nair, Ford executive vice president, product development, and chief technical officer. "The 2017 Ford GT '66 Heritage Edition is a stunning tribute to the car that kicked off Ford's string of Le Mans victories in 1966."

The Ford GT '66 Heritage Edition features a Shadow Black exterior in either gloss or matte finish with silver stripes and exposed carbon fiber package. The car sports Frozen White #2 hood and door graphics, and 20-inch one-piece forged aluminum wheels in a gold satin clearcoat with black lug nuts.

The interior of the limited edition model wraps the Ford GT carbon-fiber seats in Ebony leather, with pillowed inserts and plow-through stitching, and the seats' head restraints and the steering wheel are debossed with the Ford GT logo. The instrument panel, pillars and headliner also features an Ebony-leather wrap, with gold appliques on the instrument panel, the seat's X-brace

and shift paddles. Like the 1966 race car, the steering wheel is leather wrapped, with seat belts featuring a unique blue webbing.

Rounding out the modifications to the Ford GT '66 Heritage Edition are a unique serialized identification plate, the #2 interior door graphic, and exposed matte carbon fiber door sills, air register pods and center console.

Garen Nicoghosian, exterior design manag-

er for the car, says the team set out to highlight where it all started with the Ford GT. "While the looks are distinctly based on the GT40 Mark II race car," he says, "we've accentuated new styling cues to provide a modern interpretation." The Ford GT '66 Heritage Edition can be viewed at FordGT.com using the configuration tool. Limited quantities will be available for the 2017 model year only.

EVONIK AND GCC BDI SIGN PARTNERSHIP AGREEMENT

Kuwait: Evonik, one of the world's leading specialty chemicals companies, and the GCC Board Directors Institute (BDI), the pre-eminent organisation for Boards and directors in the Gulf, have signed a three-year partnership agreement designed to help develop high-performance boards in the Gulf.

Headquartered in Germany, the conglomerate has maintained a strategic role in the MENA for more than four decades and in partnership with Tasnee have erected the region's first superabsorbents production facility in Saudi Arabia. "We are delighted to have Evonik join our network of partners and sponsors as a Corporate Affiliate," said Jane Valls, Executive Director, GCC Board Directors Institute (BDI). "Now more than ever, sound board and governance practices are under the microscope of investors and most stakeholders. Working with a global leader like Evonik will support us in promoting the latest corporate governance trends and best practices, improving the effectiveness of boards, and as a result contributing positively to the develop-

ment of GCC economies. We look forward to a fruitful cooperation and lasting relationship."

Commenting on the partnership, Klaus Engel, Group CEO of Evonik, said: "In the complex and ever-changing world we live in, a company needs strong guiding principles to take position as a credible and reliable partner. We at Evonik are aware of the responsibility that our company has and therefore consider the question of corporate governance a key element in our management philosophy; we believe that transparent corporate governance is the key to our good reputation and to sustainable value. For this purpose, Evonik has partnered with GCC Board Directors Institute to gain further insight into best practices in the Gulf."

"As a leading speciality chemicals company we are always on the lookout for partnerships with organisations that hold the same values as us," Michael Wring, President of Evonik Middle East, added. "We believe that by sharing our experiences with the GCC Board Directors Institute we can help

promote best practice sharing at regional and international level, while also strengthening our business acumen needed to engage in successful economic activities."

Since its inception in 2007, BDI has grown into a large advisory body for directors and senior executives of state-owned enterprises, family-owned

businesses, listed companies, multinationals, pension funds and sovereign wealth funds across the GCC. Today, this not-for-profit organisation works with over 700 board directors representing over 1800 blue-chip companies, providing them with the tools to acquire the know-how to reach and sustain effective governance.
