

Stars

Aries (March 21-April 19)

It seems as if your sexual needs are one of the issues you seem to place great focus on today. You desire power and control. These desires may lead to greater interest in healing and investing. The great mysteries of life and death seem to intrigue you. You may feel much support and harmony in your life now. Surrounded by friends and loved ones is the place for you. You may find yourself having a great time this evening surrounded by the children and younger people in your life. It seems these younger people look at you with much admiration and strive to be more like you. Continue to set a good example for these children, Aries. Great reward could come from investing in the lives of others.

Taurus (April 20-May 20)

This is a wonderful time for a quiet evening spent alone with your special someone. Keep to yourself today. This is not a great day for getting your point across to others. You may find your mind lost in your own memories. A great escape for you. This could be a very emotional day as you think back on lost love and lost loved ones. A walk down memory lane may bring your own mortality into focus. Life is short, Taurus. Live it to the fullest. Live, Laugh, and love hard. We are not promised tomorrow, so make today count.

Gemini (May 21-June 20)

Don't be surprised if you find someone challenging your values or your good taste. To each his own. This is why they make chocolate and vanilla. Do not take offense to this. You are unique and the only person you are responsible for pleasing is yourself. You may find you are being too strict on yourself. Loosen up and let your hair down. Life is short and you should remember to take time to relax and enjoy yourself every now and then. It seems the nature of time is something you have really had on your mind. You are starting to see just how short life is.

Cancer (June 21-July 22)

Your stubbornness could be an asset today. You know what you want and you are willing to work to get it. Compromise is not your strength, but you find it is a need when it comes to a romantic issue. Find a middle ground that you can learn to live with. This may restore the peace and happiness you have been longing for.

Leo (July 23-August 22)

We are not promised tomorrow. This is weighing heavy on your mind. Time is ticking. You are fully aware that time seems to be passing by at a high rate of speed. This is a day you decide to live each day to the fullest. To live, love, and laugh. From this point on you will live your life to the fullest and spread joy in every direction you can.

Virgo (August 23-September 22)

You have a reputation for not offering information unless you know it to be true. If you argue, which is rare, you are sure of your premise. You present your case as facts, leaving little room for disagreement. Most people trust you because they know what you say is true. Some may see this as arrogance. But, in most cases you are able to make your point without offending. You have a knack for telling people what they don't want to hear, but in most cases making them like it.

Libra (September 23-October 22)

The sky is the limit. You have set your goals high and by this point you may be look down on them as you soar above and beyond all expectations you had for yourself. You are on fire. You filled with optimistic feelings and on top of the world. This is a great day for your relationship wise as well as in the workplace. You exude confidence today that so many will find as attractive. Your desires are leading you to crave something new. You are willing to try anything today with your "bring it on" attitude. High energy and happiness fill your world today.

Scorpio (October 23-November 21)

You may need to loosen up a bit. You seem to be taking life extremely serious now. You are too strict with yourself. All work and no play isn't a good thing. Sure you are getting a lot accomplished but at what cost? You will burn out. You will not be the person others want to spend time with. You have to realize there is more to life than money and sometimes your health is not worth the price. Take some time for you. Sit back and learn to relax, Scorpio. This will help you more than being overworked.

Sagittarius (November 22-December 21)

No one likes to be stood up. This may be the action you take that puts strain on your relationship with friends. Though you would love nothing more than to be out with friends socializing and have some fun, your more responsible side knows where your priorities lie and are unable to go through with plans you have made. Your mind is sharp, and you find yourself very productive which is the reward you need to make up for having to miss out and play adult today. You may find your experience leaves you with a great sense of sympathy for those close to you.

Capricorn (December 22-January 19)

Something seems to be leading you toward a healthier lifestyle. You are ready to take life seriously. You know you are what you eat, or so they say. You are ready to feel better about your health. Today finds you getting serious about making some major lifestyle changes. You may want to join the gym, or start counting calories. You know you are ready to get up and get moving. Life will not pass you by. Your high energy and positive attitude will be determining factors in your quest for health. This is a great time for you, Capricorn. You will succeed.

Aquarius (January 20- February 18)

It seems as if you have a greater understanding of time and the fact life is short. Facing the day with this attitude, gives you inspiration to accomplish your goals. You are more passionate about all you do. You are making a decision to live as if each day is your last and enjoy all this world has to offer. This is a drastic change for you as you have been too strict on yourself in the past. You have no tolerance for anyone or anything that doesn't contribute to your long-term goals. You are full of ambition and will not allow anyone to stand in your way.

Pisces (February 19-March 20)

You are loving and sensitive when it comes to others. Even though you tend to give from your heart with no expectations, you may be longing to feel some sense of appreciation for what you do for others. Taking a chance now could bring great rewards in the future.
