STAR TRACK

Aries (March 21-April 19)

You may have discovered you are giving more than you are receiving. You have a tendency to give too much of yourself to others. This is a time you may need to turn your focus on you. Get serious about your health and mental well-being. Remember taking care of you is a necessity. You tend to see this as being selfish. Remember if you do not take care of you, you will not be able to continue the constant care you give to others. Feed your soul, spoil yourself, but most of all, learn to relax. Today is the day to take a deep breath, grab a quick nap, and face the world with a new refreshed attitude, Aries. Learn to put yourself first.

Taurus (April 20-May 20)

Today you may feel led by your heart maybe even more loving and emotional than usual. Today is a great day to spend time with someone you love. This closeness is something you long for. Intimacy and love are driving factors for you today. You could be extremely sensitive and emotionally unable to express your feelings to someone very close to you. This is something unfamiliar to you as your words usually flow with grace and style. Taurus. This may leave you feeling somewhat vulnerable.

Gemini (May 21-June 20)

When the heavens are in certain positions, you could feel different sensations and sense noticeable, but unseen, changes to your environment. Such are the positions now, you decide to go with the flow and let events unfold as they will. Your confidence levels are high, even when things don't appear to be working; this shows that you can't always go by what you see with the physical eyes! Being first in line doesn't always mean being served first! Accepting where the cards fall is an indication of a spiritual warrior: working with what you're given reveals your power and abilities. Spending some time alone could help with a decision that affects more than one person.

Cancer (June 21-July 22)

You are fiercely independent, especially today. You have drive and ambition. You may be focused on a goal but may be drawn to accomplish it in a less conventional manner than you normally would. You are bored with your usual routine and seeking a bit of change. Thinking outside the box may lead to some exciting new experiences. This may also lead to recognition for your creative thinking from those around you. The choices you make today will be clear and concise. These choices will also clearly be the correct ones and will be reap great rewards in the future from decisions made today. Cancer, today is full of opportunity and your mood is perfect to grasp each and every one.

Leo (July 23-August 22)

You may find yourself feeling emotionally detached from your surroundings. Ideas are what are important to you now. You may not have tolerance and find yourself distancing yourself from those who do not see things this way. You seem to be drawn to all that is unusual and a bit on the eccentric side. From the way you are beginning to think to the material possessions you wish to acquire, your taste is changing. You have a desire to travel and are focused on your relationships with friends and those who are in your social circle. Pay close attention to any red flags that seem to appear.

Virgo (August 23-September 22)

Leave the major decisions for later, frustration and other obstacles may seem to be in your way today. You seem to find yourself wanting to be more social. A desire to hit the town. You find pleasure in surrounding yourself with friends. Choose your company wisely as you could find yourself in conflict with someone close to you. You seem to know what to say and when to say it. Others are seeking your company, and this would be a great time to spend time with your siblings or neighbors. Today is a great day for an escape. Take in a movie or curl up with a book.

Libra (September 23-October 22)

A seriousness comes over you today. This is a great time to think and study. Enroll in an online course, or sign up for classes to further your education. Your frame of mind now is perfect for it. This is a great time to reorganize for you. Getting things in order will come naturally and with ease. Connect with old acquaintances. Reach out and connect with someone you love. Clear thoughts and an open mind make for great times with those you love.

Scorpio (October 23-November 21)

As clearly as you can see what direction you want to be headed, you are also able to see the past today. Memories of days gone by seem to flood in. You have come to appreciate the obstacles life has put in your path. You know that the struggles you have faced have only made you stronger. You may develop a strong bond with someone younger today. Your wisdom and life experience will be very beneficial when helping them with a situation they are dealing with.

Sagittarius (November 22-December 21)

You may be facing a very emotional issue in your life today. It may seem your desire to be respected by others is very strong. You may find yourself even demanding this from others today. You may find yourself becoming very organized and structured. A strong will takes hold. You may discover you may not only have a knack for organizing things, but you may have one for organizing people as well. This makes you a great leader and this quality could be acknowledged in the workplace today. Your ability to work with haste and little emotion makes you a natural in a position of leadership or management. You may find that you are not as appreciative of those around you.

Capricorn (December 22-January 19)

You may have been so focused lately you have been missing out on a social life. Today is a great day to get out and about. Hit the town but choose your company wisely as not to experience any conflict while doing so. Surround yourself with like-minded friends. Choose friends who are positive and share your love of life. You may find yourself experiencing a real spiritual awakening and the desire to share this with others. You should be pleasantly pleased at how receptive your friends are. A great day for you where the lines of communication open in all aspects of your world.

Aquarius (January 20-February 18)

You will tell on yourself by the company you keep. If all your friends look, talk, and think like you, you may want to seek out some new relationships. You can learn from children as well as elderly, and everyone in between. Cultivate people of different races and cultures, from different social and economic backgrounds. Don't avoid those whose religion is different from yours. When you feel secure about yourself, you can enjoy diversity, and your life will be enriched by each relationship.

Pisces (February 19-March 20)

Prepare for a major event. This may put an end to your old way of life. You may find independence is a necessity now rather than a choice. You are on your own and this may mark a time of increased responsibility and accountability. Some soul searching may be in order to face this new life. Take your time and spend some time meditating or relaxing to access your new situation. Do not ask yourself, Why me? You know why. Because you can handle any obstacle that is put in your path.
