STAR TRACK

Aries (March 21-April 19)

It seems as if your sexual needs are one of the issues you seem to place great focus on today. You desire power and control. These desires may lead to greater interest in healing and investing. The great mysteries of life and death seem to intrigue you. You may feel much support and harmony in your life now. Surrounded by friends and loved ones is the place for you. You may find yourself having a great time this evening surrounded by the children and younger people in your life. It seems these younger people look at you with much admiration and strive to be more like you. Continue to set a good example for these children, Aries. Great reward could come from investing in the lives of others.

Taurus (April 20-May 20)

You know who and what are the priorities in your life. Your sense of appreciation is heightened. This is a time you are able to beam with pride when you look at your life situation. You are highly respected and others admire you for what a success you have become. Be sure to appreciate the fact that others seem to always look to you for advice and guidance. Remember to take time for you. You may tend to take the problems of those you love to personally. You can not carry the weight of the world on your shoulders alone. Spend time this evening to unwind. This could prevent you from becoming overwhelmed.

Gemini (May 21-June 20)

This seems to be a time of great focus on your relationship. You may find yourself searching for and discovery all of the beauty this world has to offer. You find beauty in your surroundings each today, but today you seem to have a greater appreciation for it. This is a very satisfying experience for you. Peace and harmony are great desires in your world and you are entering a phase where you will feel this way often. You may find that your relationships are the key to your emotional success. You may find yourself surrounded with love and support today. Focus on your loved one today and you may find this is where your needs will be fed.

Cancer (June 21-July 22)

Things really seem to be going your way. It is your time to shine. You may feel as if the world is revolving around you. Enjoy each breath you take. Live life to the fullest and seek the beauty in all that surrounds you. You are beaming with pride and a sense of accomplishment and others will be drawn to you today. Enjoy this feeling and spread joy wherever you go.

Leo (July 23-August 22)

If an emotional argument is what you are seeking today may just in fact be your day. You may feel a lack of support and blocked at every turn. Use your imagination and ability to think outside of the box to find your answers. Others may see you detached or cool on a personal level today. Your tolerance levels may be low and your temper short. You are drawn now to the unique and unusual in this world. Make your ideas count. Now is a great time to try new things and visit new places.

Virgo (August 23-September 22)

Out with the old and in with the new. Your focus is on ambition, security, and responsibility are areas in your life where you have placed major focus. There are big decisions in your life concerning these areas that need to be made. Knowing you have fallen short of goals in the past has you extremely determined at this point in your life. The easy way is not always the best way. You may reap great reward from your determination. Remember, you can only count on yourself to accomplish your goals. We live in a "what's in it for me" kind of world.

Libra (September 23-October 22)

If an emotional argument is what you are seeking today may just in fact be your day. You may feel a lack of support and blocked at every turn. Use your imagination and ability to think outside of the box to find your answers. Others may see you detached or cool on a personal level today. Your tolerance levels may be low and your temper short. You are drawn now to the unique and unusual in this world. Make your ideas count. Now is a great time to try new things and visit new places. You should find today as one where you are able to make new friends and have great conversations with everyone you cross paths with.

Scorpio (October 23-November 21)

All eyes are on you today and that is just what you crave. You have a great desire to be the center of attention. You crave appreciation for your gifts and talents. This will be a time you are able to look back on with pride. You are drawn to romance. This is a great time to spend with a special someone. Share your passion, whether it be cooking a meal together or painting a picture. Involve the one you love in a project tonight. This may bring you closer and the results good be amazing.

Sagittarius (November 22-December 19)

If an emotional argument is what you are seeking today may just in fact be your day. You may feel a lack of support and blocked at every turn. Use your imagination and ability to think outside of the box to find your answers. Others may see you detached or cool on a personal level today. Your tolerance levels may be low and your temper short. You are drawn now to the unique and unusual in this world. Make your ideas count. Now is a great time to try new things and visit new places. You should find today as one where you are able to make new friends and have great conversations with everyone you cross paths with.

Capricorn (December 22-January 19)

Details are important today. Be aware of what you say. Be sure anything you put on social media communicates what you intended. Words can be misinterpreted, and you may not have an opportunity to correct a misunderstanding. Written words are a permanent record, and they can come back to haunt you. Relationships can be permanently damaged because the reader did not get the message that was intended. Choose your words wisely today.

Aquarius (January 20- February 18)

You may be feeling a need for change. A deep desire for emotional security takes hold now and you feel your most content when surrounded by family and those closest to you. Relationships are a priority in your world now. You feel as if things in your life are monotonous and you are ready to spice things up. This may mean a shiny new car purchase, a vacation, or simply surrounding yourself with a new group of friends. Any direction you choose, this will be a time of excitement and give you a fresh start and a more focused outlook. We all need a bit of change from time to time. Keep life interesting and exciting.

Pisces (February 19-March 20)

You may feel an emotional distance to your loved ones at this time. You are deeply focused on your ideas at this time. Personal concerns are trivial to you as your level of thinking and focus deepens to that which is new, edgy, and unusual. An abstract way of thinking. You are fascinated by the more eccentric things in life. You may find that you are surrounding yourself with like-minded individuals as you have no tolerance for those who do not appreciate your points of views on matters. Within the company of these individuals you find your communication skills to be on point today and feel as if you are in your element.
